

## PRESIDENT'S MESSAGE

Hello my Senate Family!

I can't believe we are already one month into the New Year with only 4 months left in the 2017-18 year! I can tell you that we have been busy since the first of the year attending inaugural balls/banquets, GMMs, BODs, and working with the Jaycees to make sure they get off to the great start in the New Year.

On January 18th, I'm proud to say that 52 North Carolina Senators traveled to St. Augustine, FL to the US JCI Senate Winter Board Meeting. As a group, we travelled 57,477 miles to this event! Talk about "North Carolina Senators On The Move", that was amazing!

We left with high hopes of being greeted by warmer weather and snow-free scenes and we were not disappointed. There was plenty to do, including a ghost tour, a golf tournament, seeing the Old Town Trolley Nights of Lights, and, of course, catching up with our extended family and sharing stories about the holidays.

When it came down to the business meeting on Saturday, I'm extremely proud to announce North Carolina was recognized for the following:

North Carolina was once again recognized as the **Top Membership at Growth** with **+11!**

Region 4 was the **Top Growth Region** with **+18!**

Currently **North Carolina is +34** for the year!

Presidential Sweepstakes Tickets: North Carolina and Region 4 came in **second place** with the number of tickets sold!

Road Runner Program: North Carolina came in **2<sup>nd</sup>** with **17 events attended, 140 participating Senators, and a total of 158,027 miles traveled!**

Return The Favor: **Overall Senator: Jennifer E. Salmon**

**Overall States: North Carolina came in 2<sup>nd</sup>.** North Carolina Senators had **904 RTF hours** for the quarter and **286 hours in travel.**

Top Impact Performer: North Carolina's Chaplin, **Marylou Harris**

*President's message continued from page 1.*

Since the first of the year, the following Senators have been recognized for President John's Living The Creed program nationally: **Marty Wase, Crissie Lewis, Dale Farlow!**

I want to give a huge thank you to the Florida JCI Senate and Chairwoman Irene Shanley #65316 for a fantastic Winter Board Meeting! I can't wait to visit again!

Once we arrived home from Florida, there wasn't much time to rest. During the last weekend in January, **64 Senators** from **5 states** gathered for the North Carolina Jaycee Year End Convention in Greensboro, NC. Talk about long time, no see! US JCI Senate's First Timers Program Manager, Cheryl France #57391, and her husband, Jim #44665, US JCI Senate Foundation Associate Legal Counsel EJ Rice #47046, and his wife, Sharon #71524, and Georgia JCI Senate President Larry MacQuirter #67377 were some of our special guests. At our business meeting, we unanimously voted to endorse Lawrence Pittman #53932 for the 2018-19 US JCI Senate Administrative Vice President and Marty Wase #53142 for the 2018-19 Region 4 National Vice- President. We are so proud of both of them and look forward to working with them as national officers! Overall, we had a fantastic meeting. Then we were off to get ready for the Jaycees' Year End Banquet. Lawrence Pittman #53932, Cheryl France #57391, and I had the honor to install 3 new North Carolina Senators. With that, I'm proud to announce that Stephanie Rouse #76829 from Spencer, along with James Sanders #76797 and Russell Gray #76798, both from Greensboro, have joined our Senate family. Congratulations to each of you on this honor. We are privileged to have you as part of our family, and I hope that everyone will join me in saying "Welcome to the Family".

All this in just one month! This was the result of a true team effort. There is no one person making this happen, it is all of us working together. I'm proud of each one of you, and of our achievements in just the past 8 months. With that said, we have 4 months left in this year, so Let's Finish Strong! "Together We Can" achieve anything!

Hugs!

Jennifer E Salmon /#71393 /2017-18 NC JCI Senate President /336-253-2613 /"Together We Can"

## **FROM YOUR VALENTINE**

**Aimee Scotton, #69448  
Vice President**

It's February, and that means one thing. Valentine's Day. Time to tell that special person in your life that you love them. The television and radio ads would have you believe that this holiday is all about romantic love and expressing that love to your one true one through gifts of candy and flowers and jewelry. It didn't start that way, though.

Valentine's Day began as a liturgical holiday to honor Saint Valentine. Legend had it that St. Valentine was a priest in Rome who was imprisoned for caring for persecuted Christians (sounds a little like service to humanity to me). Before his execution, he is reported to have performed a miracle by healing Julia, the blind daughter of his jailer Asterius. The night before he was to be executed, legend has it that he wrote a card addressed to the girl and signed "your Valentine." It wasn't until the 14<sup>th</sup> century that the holiday became linked with romantic love.

I like to view Valentine's Day as time to remember and honor all of the love in your life, not just the romantic kind. There is the love of your parents, your siblings, your children, your friends. And there is the love that we have for one another as Jaycees. There is a line in the Jaycee Creed—Brotherhood of man transcends the sovereignty of nations. Brotherhood of man. What does that really mean? To me, it means that regardless of our backgrounds or our beliefs, we are all a part of the same family—the human family, and we should love one another like family. I don't always agree with my sister, but I always love her and want the best for her.

I think the JCI Senate embodies this perfectly. We are all individuals, and therefore, we don't always agree, but we are all Senators and that means something. We celebrate each other's successes and we share in each other's losses. We are family and we love one another like family. Even when we don't like each other very much (which is rare), we still want the best. It's a blessing and one which not many organizations share.

Happy Valentine's Day Senate Family!

Aimee

# FIRST TIMERS PARTICIPATION

Kevin Matthies, #75942  
First Timers

We had a great showing at the First Timers program at the Year End 2018 NC State Jaycees convention. We had 10 First Timers attending and all 10 returned their packets. All participants put in a lot of time to complete the First Timer Packet. Mindy Griffin from the Greenville Jaycees received the most points. Mindy received a check to cover all the registration for the mid-year convention. Mindy was the only one to get the mystery Jaycee signature and this put her ahead of everyone else. I like to thank all the other participants. You all did well.

Kevin

## JIM OLLIS/BOBBY SAUNDERS MEMORIAL GOLF TOURNAMENT

The North Carolina JCI Senate will be holding our 15<sup>th</sup> Annual Jim Ollis/Bobby Saunders Memorial Golf Tournament Saturday April 21, 2018 in Myrtle Beach, South Carolina during the Region IV Calabash Bash. This 15<sup>th</sup> edition of our tournament is a very special one for our Senate as we have added the name of the founder and long-time Chairman of our tournament Bobby Saunders. Bobby loved this tournament and we think that it would be a fitting tribute to him to have a record turn out this year for our event. We invite all of you to participate as a player and/or sponsor in this year's event. Our format is 4- person team captain's choice and we offer sponsorship opportunities from \$25.00 to \$500.00. Here are some of the particulars of the 2018 tournament:

## PRAYERS FROM THE CHAPLAIN

Hope everyone is getting through the cold, snow, flu season unscathed...unfortunately, many are not. Our prayers are with them.

I have enjoyed hearing from so many of you about events in your lives..glad that our NC Senate family is there to pray for every one's needs whether happy or sad. Please continue to let me know what is going on with you so that I may share it with the NC JCI Senators...send info to me at [mlharris45860@bellsouth.net](mailto:mlharris45860@bellsouth.net).

Here is a favorite prayer of mine that I share with you:

### **St. Theresa Prayer**

*May today there be peace within.*

*May you trust your highest power that you are exactly where you are meant to be.*

*May you not forget the infinite possibilities that are born of faith.*

*May you use those gifts that you have received, and pass on the love that has been given to you.*

*May you be content knowing that you are a child of God.*

*Let this presence settle into your bones, and allow your soul the freedom to sing, dance.*

*It is there for each and every one of you.*

**AMEN.**

As we go into the latter part of this JCI Senate year...let's always remember that "faith in God gives meaning and purpose to human life...." And let's share our belief with others.

Peace, Marylou

## RETURN THE FAVOR

I want to start out by giving a big THANK YOU to all the North Carolina Senators who have participated in the RTF Program so far. For Second Trimester, North Carolina came in 2<sup>nd</sup> place in the US for RTF participation. We had 904 RTF hours and 286 hours in travel. Of which, Jennifer E. Salmon was the Overall Senator.

As you know, the Return the Favor (RTF) Program was designed to encourage JCI Senators to help give back to the organization that helped them become the leaders they are today. As a Senator, we're given the unique opportunity to inspire the new batch of leaders and assist young Jaycees members. Now it is time for us to "Return the Favor" and become a senior Jaycee member who puts their arm around the shoulder of that new Jaycee or officer and guide their way to Jaycee prominence.

Third Trimester RTF forms are due June 1, 2018 to cover December 1, 2017 through May 31, 2018. So please submit your forms to me no later than Friday, May 25, 2018. I know this is a holiday weekend so feel free to send your forms to me earlier. You can contact me at [Zangill2006@yahoo.com](mailto:Zangill2006@yahoo.com) or call me at 910-297-4621 if you have questions.

Thank you for your support!

### **Craven County**

The Craven County Jaycees were in a rebuilding stage the last time I visited and were excited. Their President Kelly Tillman was and has done wonderful things with them. As a lot of you are aware Kelly passed away very unexpectedly. She lives a large whole in all of our hearts. Please pray for her and her family and all the other Jaycees she touched.

### **Jacksonville**

The Jacksonville Jaycees are in a building state. They have added new members and are looking to add more.

### **Greenville**

The Greenville Jaycees are doing great. I have been to numerous projects they have held and they are making a great impact on the city. They have another "Shuck and Pluck" coming up in February. If you are interested see Cheryl or Vann I am sure they would love to sell you a ticket.

### **Rocky Mount**

The Rocky Mount Jaycees are working hard to reestablish a place in Rocky Mount. Kendall and his members are looking forward to a new year and all the wonderful things it will bring.

I spoke to Dalance (incoming Jaycee VP) about helping the Jaycees get stronger. We passed back and forth about some ideas. She told me she had found someone to commit to being RD for the Region. And since he has not been sworn in at this time I will not put his name in print but I did let them know I looked forward to working with him. We will continue to work in Warren County and see what we can do.

Thank you all for allowing me to work in this position I have truly enjoyed it and have made lots of new friends.

## LEADING BY EXAMPLE

Troy Powell, #71391  
Triad Regional Director

Ever heard the phrase "Don't Reinvent the Wheel"? Well, when it comes to bringing an outstanding project to your community to meet a local need, you don't have to reinvent it. More than likely, somewhere in the State or in the United States, another local chapter has ran that specific project and were successful with it. All you have to do is reach out to them and request a copy of their "Chairman's Planning Guide"....the CPG or Business Plan.

The **Greensboro** Jaycees, here in the Triad, are doing just that and are being very successful. The **Winston-Salem** Jaycees, also in the Triad, have ran many successful programs for years and the Greensboro wants to bring that success to their community. When the Winston-Salem Jaycees heard their needs and desire to start their program in Greensboro, they immediately shared their CPG, Notes, and offered to help them to be successful.

Don't ever doubt the value in "Asking for Help". The Senate is here to help and to bridge communications gaps to help local chapters to be successful in North Carolina.

## NC WELCOMES THREE FRESHMEN SENATORS!

The NC JCI Senate proudly welcomed 3 new Senators during the NC Jaycee Year End Banquet in Greensboro, NC on January 27. A Freshman Senator Orientation was held for each of our Senators with an overview of how to become involved with the Senate.

Our new Senators are:

**Jim Sanders #76797** from the Greensboro Jaycee Chapter. As an active member of Greensboro, he held various leadership and Board of Director positions, as well as chairing Greensboro's largest project the GGO. As a Jaycee, Jim participated in local, regional, and state Jaycee activities. Jim continues to support the Greensboro Jaycees today.

**Russ Gray #76798** from Greensboro Jaycee Chapter. Russ was an active Jaycee for more than a decade where he served on the Greensboro Jaycee Board of Directors and was active on the regional and state levels as well. Russ chaired Greensboro's two largest Jaycee projects. He continues to support the Greensboro Jaycees today.

**Stephanie Rouse #76829** from the Spencer Jaycee Chapter. The President of the Spencer Jaycees is quoted as saying "she is the backbone and lifeline of our chapter". In her Jaycee career, she served 5 terms on the Board of Directors. She also began and organized numerous fundraisers to support the community which the chapter continues to run today. Stephanie continues to actively support the Spencer Jaycees.

Please join me in welcoming these three very deserving new Senators to the JCI Senate Family!

## MEMBERSHIP CHAIRMAN REPORT

Membership Chair report at JCI Senate meeting held in conjunction with NC Jaycees on January 27<sup>th</sup> was designed to provide substance, levity, entertainment and fun for everyone. It appears goal was consummated based on feedback from attendees.

Preparation for presentation was as follows:

- provide update on securing birthday (month/day) and email address of all members
- levity was shared with quote of Senility Prayer
- substance by sharing thought on **FRIENDS** we have opportunity to develop along the way of our Jaycee/JCI Senate life's journey

### Birth Dates:

Effort to secure members birthday (month/date) and email address of all JCI senators to afford an opportunity to wish each JCI Senate member happy birthday wish via email instead of US postal "snail mail".

There are two (2) important dates in one's life: "One is date you were born and the other is when you figure out why". Of course, we all know date we were born; some of us may still be trying to figure out why!!

### Levity: Senility Prayer

"God grant me the senility to forget the people I never liked anyway, the good fortune to run into the ones I do, and the eyesight to tell the difference." Anonymous

My thought on this is that most of us have the good fortune to run into many Jaycee/JCI Senate members we like, had the eyesight to really appreciate meeting them along life's journey. And, of course, forget the "few we never liked anyway".

### Substance:

Active Jaycee/JCI membership affords us the opportunity to expand our horizons beyond family, house of faith and work place. "Most people walk in and out of your life, but **FRIENDS** leave footprints on your heart."

The initial meeting of Jaycee & JCI Senate member may be compared to planting a seed in fertile soil or sand...friendships grow by active participation in Jaycee and JCI activities. They remain dormant and or fail to grow with inactivity (sand).

An example of friendship planted in fertile soil that provided beautiful harvest in my meeting Jim Ollis, past president, NC Jaycee (2009), past US Jaycee National Vice President (2010), past JCI International Vice-President (2011). His infectious smile, honesty, belief in God, humility and leadership skills was contagious. All Jaycees and JCI senators would do well to emulate Ollis' qualities.

Past Presidents, NC Jaycees are cognizant of the challenges to identify corporate sponsorships for annual Jaycee convention expenses. No sponsor had been found by President Ollis to meet expenses expected at year-end meeting, Raleigh, NC 1970. Ollis reached out to me to learn, if I as insurance agent/financial advisor, Jefferson Standard Life Insurance Company would speak with president of company to secure corporate monetary sponsorship. I accepted this challenge to help.

## MEMBERSHIP CHAIRMAN REPORT CONTINUED

President Roger Soles agreed to become convention sponsor. Senior VP attended the convention. All expenses covered including tab to provide lodging and travel expense for guest speaker, Bill Suttle, Past National US Jaycee (1965-66) and Past President NC Jaycee (1963-64).

During the late Jim Ollis' term as president, NC Jaycees (69-70) our friendship grew. I was serving as VP of Jaycee Charlotte Chapter. At NC Jaycee Mid-Year Convention, Greensboro, Ollis reached out to me to inquire if I would be available to drive to airport, be chauffeur for our guest speaker at the state meeting. And, be the "Uber driver" for him back to airport. Guest speaker for the meeting was C. William (Bill) Brownfield, JCI Senator #197. I accepted. Thus the beginning of a new friendship planted in fertile soil.

As many of you know, Ollis US National VP US Jaycee in 1970 reached out to me in Tulsa, OK to learn if I would be receptive to being chauffeur for Bill Brownfield during National US Jaycee BOD meeting. I, of course, said yes. WOW! What an opportunity and experience. Brownfield invited me to share a room with him for one week. At end of the week, Brownfield wrote a note on his personal US Jaycees Honorary President card as follows: "To a great young man, Jim Morton, with kindest regards and eternal gratitude for his personal attention and valued friendship. Bill Brownfield, March 20, 1970"

'To Travel is to Live' may be a slogan for Jaycees/JCI Senate members. Opportunities to see state of NC, USA and our beautiful world abound. Renewing old acquaintances and making new friends at these meetings; seeds grow with travel opportunities taken by Jaycees and JCI Senate members.

**Life is GOOD** for Jaycees and JCI Senate Members.

## MEMORIAL AWARDS

**Submission Deadline May 1, 2018**

My Friends,

If you were in our Senate meeting this past weekend in Greensboro then you already heard my spiel on this. However, if you were not able to join us, I wanted to send around a listing of all of the National Awards that we can nominate officers for to the US JCI Senate along with the contact information for those receiving each one. We have been blessed in North Carolina over the past many years to have tremendous leadership, and this year is no different. I hope that you will look at this list and consider taking the time to write a quick letter of recommendation for a deserving individual. The deadline for this is May 1, 2018, so you have some time to think about it. If you have any questions about these, please let me know.

Thank you!

## MID ATLANTIC INSTITUTE

Wow, we in the Delaware JCI Senate are getting ex-ci-ted...only 3 months until the big conference, when we get to gather & see all our friends in the Mid Atlantic Institute!

If you've already registered, thank you! If you've already booked your hotel room, thank you! If you haven't, there's still space available at the BEACHFRONT Surf Club! This beautiful hotel just had 2 million dollars in renovations in the past year and is only \$94 + tax/night. **There's currently an incentive going on for the next 15 people to book at the Surf Club. One of those lucky names will be drawn for a free night's stay.**

For those interested in having their companies promoted, we do offer a lovely sponsorship packet. We accept all donations, monetary and in-kind. But wait, there's more. Even if you don't have a company to promote but want to send a positive note, a good luck to a candidate or announce you have the best cat on the earth, you can also participate by purchasing a very affordable ad in the program book.

Anyone looking to get experience in bartending? We have several 1-3 hour time slots available from Thursday through Saturday night. We'll be happy to add your name to the volunteer list.

Please encourage members to start looking for the perfect items to donate for the annual basket auction. There is always a wonderful turnout -- but it's no wonder, we are members of the best Institute in the nation!

We really look forward to hosting you all in sunny Dewey Beach! Thank you for helping to spread the word.

Tina Macko, 2018 MAI Chairman, 330.714.6809
