THIS IS HOW WE DO IT—2013!

Peggy Lewis, NC JCI Senate President
#58375

North Carolina Jaycee Senate, we are actively showing the Jaycees, *This Is How WE Do It!* I was very proud to be able to stand before the Banquet with VP Ray and present checks to all the priority projects and the Jaycees in the amount of \$600.00 each from the Sweepstakes. In addition we were able to raise a little over \$600.00 for the Senate from the silent auction. A very big thank you goes out VP Ray for all his work and to Sue, Pam, and Christy for their help.

At our meeting on Saturday morning we recognized Kim, Pam, and Gary for their help in getting this year off to a wonderful start. We also formed a finance committee to look into a better way of handling out finances. Joel Pearce asked that we look in to working with him and a few people on the Outer Banks to bring the Beach Music Festival back to life in 2014. We are looking into this.

Cary Jaycees once again offered us the opportunity to work the NC State football game the Saturday after Thanksgiving (November 30). **We must have at least 15 people to sign up.** If you are willing and can help please contact Elizabeth at EAPfrogner@aol.com. She would like to get back to Cary on this so they can plan, but as we discussed, we don't want to agree for the Senate to take this on if we will not have the manpower needed.

August 10 saw a few Senators travel down to New Bern to help Senator Bruce Joyner with the Cystic Fibrosis Telethon. We raised just over \$412,000.00. This was once a priority project of the Jaycees and still is close to some of our hearts.

On August 17 Jaycees and Senators met to help the Cary Jaycees with an Olympics down at Lake Wacammaw. The entire campus was a part of this. Upcoming events: trip to Iowa, planning a retreat for the girls in our cottage, Christmas Social and any and all help the Jaycees ask for.

Stay tuned, We will have more opportunities to show *This Is How We Do It!*

Peggy

DON'T GIVE UP!

Ray Culler, Vice President
#64452

Greetings fellow senators,

Do the words above sound familiar? The phrase isn't exactly new and has actually been around for a Very Long Time...you may or may not know this but I'm a UNC fan, always have been, probably always will. However, Tracy will tell you that I'm NOT the typical, get in your face type of fan in general. The reason I say this is because on March 3rd, 1993 (8 weeks before he died of cancer), one of the most Well-Known people in NC State's (and the world's) history, Coach Jim Valvano gave one of the most famous speeches he had ever given at the Espy awards. He also wrote a book with the same name, "Don't Ever Give Up."

So why am I bringing this up now? Because in my mind, we, as NC Senators, have somewhat given up. "But Ray, we just won the RTF for the year?" Sure, we did win and my hat's off to everyone...but we still wait TILL asked to go to a chapter to help, or listen in at conventions and sort of offer our help but we have succumbed to wait and wait till we're asked to help...I firmly believe that times have changed and we, The NC JCI Senate, The Best Senate in the country, personal opinion, should change as well. We need to strive a little harder, dig a little deeper and wait no more.

If you were at the convention in Fayetteville, Aug 2-4, at which, Thanks to YOU, we were able to give out \$2400 to our priority projects and our Jaycees PLUS raised \$616 through the silent auction for our Senate (This ALL would not have been possible without YOUR Help! Thank You Everyone). That's the Great News...the bad news is, there were 78 Jaycees registered and less than 28 chapters currently in our state...that's Truly Sad...

It's time for a change and we can't give up on our Jaycees...stop waiting, Don't Give Up on our State! They need us now more than ever and may not even recognize that as a possibility. If our state folds, we'll no longer grow, no more RTF, etc. just run projects for our charities and who will we celebrate with?

Please don't give up, don't wait any longer...reach out, call, visit, make some noise to let our fellow NC Jaycees that We, The NC JCI Senate is alive and well and ready to do something to help them out!

Let's go, Fellow Senators, NC Needs us Now,

Ray Culler #64452
2013/2014 NC JCI Senate VP

ASSISTING FELLOW JAYCEES

Lawrence Pittman
#53932

I hope that all of you are doing well. I'm very pleased to be your Return the Favor Chairperson for 2013-2014. Thanks to President Peggy for appointing me and giving me this opportunity.

North Carolina JCI Senate has always been known for doing great things in returning the favor with our NC Jaycees. I will need your help in gathering the information we will need to keep track of and report the exciting work we are doing to assist the North Carolina Jaycees. Also I want to ensure that those who are providing assistance to the Jaycees get the recognition they deserve. Therefore, whenever you assist a chapter, region or the state organization, please make sure to document it and forward this information to me as soon as possible. The forms will be available on our website. If you have any questions at all, please do not hesitate to contact me: Cell: 828-230-4944 or email: pittmanavl@charter.net

I know we will continue to do our best to help our fellow Jaycees, so please make sure to document it and send this to me. I know we do not do this for the recognition, and many of you just want to help your fellow Jaycees, but I want to let the rest of the US JCI Senate organization know about the great relationship we continue to enjoy with the NC Jaycees. I would like for your time and effort to get passed along through the Senate organization as a whole.

Return the Favor Activity forms are due to the US JCI Senate:

- August 23, 2013
- December 20, 2013
- June 1, 2014

Please have the completed forms returned to me at least 2 weeks prior to the national due date. August 17, 2013 is the first deadline due date.

NC JCI Senate and NC Jaycees are working together to do great things. We should not keep it a secret. Please let me know how I can help you in returning the favor.

Thank you so much!

PROJECTS TO THE WEST

Nick Woods, Mountains/Foothills Regional Director
#62735

Greetings fellow Senators!

The **Hickory** Jaycees just completed the 2013 season of Hickory Alive! There were six events this year. On July 27, the Hickory chapter ran a first time project at Hickory Speedway, one of Nascar's first tracks. Project was called Knights of Destruction, where the speedway had a demolition derby. Jaycees parked cars and served beer.

The Grandpals project continues to be on-going. The project pairs a Jaycee member with an anonymous senior from Catawba County Senior Services (Meals on Wheels). The senior is at or below poverty level and has mobility impairment. Adoptive parents purchase necessities and create a friendship token for their Grandpal.

Other projects the Hickory chapter is involved with include--an International Night back on July 14, a Hickory Crawdads outing on August 1, and the Halloween Masquerade Ball on October 26.

The Hickory Jaycees will be running the beer garden at the city's annual Oktoberfest, which takes place the weekend of October 11-13. They need help slinging beer on Friday and Saturday nights. Please contact a chapter member to volunteer.

The **Elkin** Jaycees held their Fourth of July at Elkin Municipal Park. The chapter books the bands, hires the food vendors, and sells glow sticks, as well as other items at this event. Despite 2 monsoons that took place, the event went off, and the event culminated with fireworks at 9:30.

That's it for now. See you soon!

HAPPENINGS IN METROLINA

Amy Barton, Metrolina Regional Director
#67895

Page 5

Greetings from the Metrolina Region! Here are some updates for Charlotte, Faith, Gaston County and Spencer Jaycees:

I have had some mixed success getting in touch with my chapters. The email addresses for two chapters (Faith and Spencer) have kicked back when I tried to contact them, so I will report updates as provided by NCJC Metrolina Regional Director, Keith Bullard. I do plan on hitting the road to see chapters once we establish contact and my fall schedule settles down. (My son is starting kindergarten. EEK!)

Faith is holding steady, but can certainly use some more members. (I think they hover right at that 20 mark.) They hosted a joint DSA banquet with the Spencer chapter this spring that was very successful.

Spencer, also reported by Keith, as a chapter is holding steady. They are considering what to do with their property—debating whether or not to sell; and consequently dealing with the emotional attachments to real property and history of the chapter.

Gastonia—I was able to visit the Gaston County chapter for their June 25th GMM. The chapter is healthy and offering well rounded programming in all areas for their members. President Andrea held a new member drive where if the chapter met their goal, she would volunteer to be dunked at the next Gastonia Grizzly game. There were no new members at the meeting, but Andrea got dunked anyway. A new member orientation was planned for July 23rd, and a pool party is on the calendar for July 20th. This chapter held a bowling clinic at the July GMM with a professional bowler. Members joined the Raleigh Jaycees on a tubing trip in June, and a number of members will be at the mid-year convention. The annual DSA banquet was a success, from a management development area project; and their next big project is the annual back to school shopping spree is scheduled for August 24th.

Charlotte—The Charlotte Jaycees are wrapping up a summer full of their biggest fundraiser, Alive After Five Concert Series, as well as the Panther Tailgate support projects. They are continuing their tradition of having excellent speakers at their GMM's. Michael Marsicano, President and CEO of the Foundation for the Carolinas will speak at the August 6th GMM. Mohammad Jenatani, President of The Greater Charlotte Hospitality Tourism Alliance will be a timely speaker at the September GMM—just in time for Panthers football! The chapter is also holding monthly M-Nights. Upcoming on their calendar is the 2nd annual alumni dinner on August 23rd at Bubble on Trade Street. The dinner reception begins at 6:30 and the cost is \$40 per person. The 2nd annual Albert "Pete" Sloan Award will be presented to a distinguished guest. Following the reception, the 3rd Annual "Leaders of the Future" Golf Tournament will be held on August 24th at Charlotte Golf Links. The shotgun start is 8:30 AM, and the cost is \$360 per team. I encourage everyone to come who is interested. Later in the fall, President Ben advised the chapter will plan on several drives, including a clothing drive for community service.

TAKE ADVANTAGE OF MENTORING

Mike Harris, Mentors
#24801

The NC JCI Senators are willing to assist you and your chapter with just about any project or program. We bring experience and sometimes will know who to contact "when all else fails."

JCI Senators are well known as the best of the best. Look around: nearly every active Senator was even more active while he/she was an active Jaycee. We are the Statewide officers, RD's, DD's, Program managers, Chapter officers from just a few years back. We did not "phase out" of the organization when we turned 40, we "phased into" new roles of community service where we assist the local and statewide organization, when asked.

At present, we are refining our mailing list so that when a chapter or a person requests assistance, we will be able to search our resource names by location. That way we can narrow down a mailing with real suggestions as to who might be located in a given area where the "assistance" has been requested. We automatically assume that every NC JCI Senator will have at least some interest in providing local chapter assistance... if/when asked to do so. Thanks for volunteering!

Contact for our Jaycee MENTORING program offering Jaycee assistance is Mike Harris, JCI #24801.

Phone number: 919-880-0933. Email: aardbark9@hotmail.com. I live in Apex. I will assist you/your chapter by suggesting resources that can match up to just about any need your chapter has. Neither I nor any of the Senators will step in and involve ourselves in your chapter activities unless asked to do so...

Peggy Lewis and I hope that when you hear from us or from a local chapter you will not say "no".

Thanks,

Mike

FIRST TIMERS HAD FUN!

**Gene Shanks, First-Timers
#68688**

Page 8

The first First-Timers event has come and gone. At this past NC Jaycee Convention in Fayetteville we had nine participants take part in this networking training competition. They actively sought out signatures and answering several trivia questions which not only challenged out contestants, but the entire membership at the convention.

Our winner...Winston-Salem's Maggie Wessell! Not only did she get all the trivia questions right, but she literally got EVERY signature available during the competition. Great job Maggie!!!

We now look forward to next convention and another round of First-Timers!!

STACKING THE DECK

Kay Buchanan

USJCI Region IV Vice President

Congratulations on having a successful 2012-13 Senate year. Everyone knew North Carolina was in the house!!! But you had to hurry back home to prepare for 2013-14 with a quick start out of the gate with your planning session and now your Senate meeting in conjunction with the North Carolina Jaycee's Mid Year Convention. Glad to hear from President Peggy about the great turnout and plans to unite with the Cary Jaycees and their exciting project on August 17th with the Boys and Girls Club.

Plans will be announced soon for your holiday social and I am looking forward to your January meeting that welcomes your freshmen Senators. But between these events there leaves room to focus on the business of the Senate and preparing for a trip to Bettendorf, Iowa to enjoy "Harvest in the Heartland" for the U.S. Fall Board Meeting. I am looking for good representation around Region IV as Alabama plans a special event in September, the Florida Beach Bash in Fort Pierce, October 4-6 and the Regional Peach Bash, November 7-10, hosted by the Georgia Senate in Macon. Y'ALL COME!

Keeping with our theme, Region IV is "Stacking the Deck", shirts are available for a final order to show your support. See order form for details. The Region web page is coming together and will be a great resource tool...but it is only as good as the information. Go to: region4jcisenate.com and keep Web Master, Ken Joyner, kenniej@windstream.net supplied with your state's information.
