Prior to that, Our Chaplain, Vann Sparrow #67885 has been very busy with things going on across the state as has RD Shannon Foster #67038 working closely with the Triad Region. Also, Jennifer Salmon #71393 and Pam Padgett #51341 have been diligently working together on getting our accounting in order and taking us to a new level of on-line banking!

But Wait, there's More! During the convention, Crissie Lewis #72169 worked with our NC Jaycee First timers and Also did an Awesome Job! Aimee Scotton #69448 kept us on track during the meeting keeping Fantastic Minutes! Melanie Coble #70372 is

making strides to get a us an actual Family of The Year to participate in the national program and Pam Padgett #51341, Sue Kellum #57264 and Marty Wase #53142 kept folks fed Very Well (and Very Well Supplied with beverages), by the way, did I mention Marty has volunteered, and unanimously voted and agreed to be on the NC Jaycee Foundation again? Gene Shanks #68688 issued a challenge, that I hope Everyone has taken him up on, for Return The Favor, to have 100%, present at meeting, to turn in their RTF forms and he'll do something Ridiculously Fun (Have you seen his ALS Challenge?) for meeting his challenge...Angela Sweeney #69453 continues to do an Excellent Job on our Website...our

Sweepstakes & Silent Auction Wrap-Up

I wanted to thank everyone who bought tickets, made monetary or prize donations, and/or attended the Senate Sweepstakes event this past weekend in Winston-Salem! After totaling up receipts and expenses, we netted \$3,300 (after expenses), higher than our earlier conservative estimate. I still have some expenses to incur with mailing / shipping packages to those who won prizes, but were unable to attend the event, so that number will change some. Special thanks go to the following for helping make the event successful:

Sponsors -- LBM, Inc. (Debbie Deal / Frank Moody), and Sir Speedy Marketing and Printing of Durham

Facilities -- Charles Krupinski, Stacy Hanna, and NC Jaycees President Jocelyn Hardee

Mailing list--Ray and Tracy Culler

Stuffing envelopes -- Angela Sweeney, Jeff Williams, and Joanna Shere

Picking up tickets -- Terry Jones

Vann Sparrow working the tumbler and hoping to draw his tickets

Assistance before and during event -- Angela Sweeney, Melanie Coble, Jennifer Salmon, Vann Sparrow, Crissie Lewis, and Cheryl Carlson

I hope I haven't forgotten anyone, as it took lots of hands to help run this project!

And the Grand Prize winner of the Sweepstakes was our very own Aimee Scotton, Senator #69448.

On Saturday night during the Awards Ceremony, we made \$500 donations each to the NC Jaycees Burn Center in Chapel Hill, Duke Cancer, the Boys and Girls Home at Lake Waccamaw, and to the NC Jaycees. These donations were from the proceeds of the Sweepstakes Raffle.

Thanks for all you do folks!

Greetings from VP Nick Woods

Hello Senators! Hope everyone had a great Summer! It was great seeing everyone at Mid Year Convention! Thanks to all for your help in making the Senate Sweepstakes a success! More information in special article in this newsletter.

Fall will be here soon, and that is the busiest time of the year for a lot of the Jaycee chapters! On that note, I would like to encourage you to visit a Jaycee chapter in your area or make a point of helping a Jaycee chapter out with a project in the next few months. You don't have to be an RD to do this. Just contact a chapter, go visit, and show that you are on their side and are willing to help. An example of this could be offering assistance to the Cary Jaycees in working the concessions at the NC State games. With the new way they changed the volunteer format, it allows more flexibility. Now, you can pick any number of games you wish to assist that suits your schedule. I guarantee you will have fun, even if you're a Carolina fan!

In assisting Jaycee chapters, check out the RD reports in this newsletter for opportunities to assist chapters. This fall will be chock full of events. Lots of chapters will be having Oktoberfest type events, Halloween events, and Christmas events toward the latter part of the year. The Jaycees need us, as we have heard how many chapters are in trouble.

Service to humanity is the best work of life, as we return the favor.

If you have never been to a Regional or National Senate meeting, I encourage you to entertain the idea to do. Gettysburg is coming up in September. Region VP Lawrence has a special weekend planned for our Region IV meeting in November in Hendersonville, as this year is NC's turn to host this meeting. We have Mesa, AZ coming up in January and Rochester, MN in June 2015 will be the Year End Convention for 2014. Talk to anyone who has been to one, especially someone who has been to their first one recently. They will tell you they had a ball!

That's all for now! I look forward to seeing you soon!

Triad Region Update

by Shannon Foster #67038

Greetings from the Triad Region! Here are some updates for Asheboro, Greensboro and Winston-Salem.

Katie Taylor, the NC Jaycee Triad Regional Director has organized a *Triad Regional Day* on September 20 at NC Jaycee Headquarters in Asheboro. It starts at 11:00am and will include a potluck lunch and a viewing of the inspirational documentary "I Am."

Asheboro needs quick and easy fundraising ideas. They are also in need of members. They recently had a very successful project, *Random Acts of Kindness*, in which they not only went out and did various good deeds in the community, they encouraged similar action in others through social media. They are a young and excited group!

Greensboro is in need of members as well as enthusiasm. They recently held a successful joint *Mixer* with the High Point Jaycees, as well as an *Open House/Social* to unveil their new meeting space. Their new meeting location is at 315 South Greene Street in Greensboro. They would love to have as many people there from the Senate as possible at their events in order to reconnect current members with the Senate so they will recognize faces and can ask questions on how they can work with the Senate going forward. The chapter also has the *Taste*

Wine Festival coming up and need volunteers. It will be on September 13 from 11am-6pm at the Piedmont Triad Farmer's Market in Colfax. Information can be found at www.tastecarolina.com

Winston-Salem now has over 100 members! They are preparing for the Winston-Salem Air Show September 13-14 and could use volunteers. Details can be found at <https://www.wsjaycees.org/event/air-show-2014/>. They have many events on their calendar including the 15th Annual Band Aid for Burn Survivors in October. Check out their website calendar for volunteer opportunities.

Hopefully, by the next newsletter I will also have updates for High Point and Madison-Mayodan. If you have a contact in either of these chapters, please let me know. My email is slfoster2011@gmail.com

RETURN THE FAVOR PROGRAM

When I was first presented with the idea of being the chairman of Return The Favor I had my reservations. I saw how frustrated other chairmen were trying to get people to fill them out and send them in. I, myself, was one of the worst. In the 5 years I've been a Senator I think I've only turned my form in twice.

But never it be said, I wasn't up for a challenge.

The program began under USJCI Senate President, Larry Sheeler (#16232) in 1987-88 as the "Yes We Can Help" program. It was developed as an offshoot of US Jaycee President Gary Wilkinson's "Yes We Can" theme. Later that same year the program was changed to "Return the Favor." The chairman that first year was Mike Harris (#24801) of North Carolina.

In 1994 the US Jaycees, under President Matthew Shapiro (#46859), began recognizing senators who did an outstanding job assisting Jaycees. When Shapiro started this, five or six senators were recognized on stage at the US Jaycee National Convention.

From those beginnings, JCI Senators have been recognized for outstanding efforts they have contributed to local Jaycee chapters and State Organizations. Senators have returned the favor to Jaycees by serving as judges for individual award competitions, providing training for local chapters and at statewide meetings and as a resource for new member recruitment. Many State Senate Organizations serve their Jaycees by hosting state meetings, providing staff for fundraising activities and serving as a mentor in the planning and presentation of other state Jaycee programs. All of these activities just scratch the surface on the support that Senators provide as they work to Return The Favor.

Most people know I like to do things a little different. In fact a friend described me as someone looking to think out of the box, I don't even know what a box is. So, at our Senate meeting at the NC Jaycees Mid-Year convention I said that if everyone who was in that meeting turned in their RTF forms I would allow them to choose a stupid stunt for me to perform (exclude waxing my body). But more importantly, whoever turned in the most hours would get a FREE caricature.

So, I encourage everyone, as they are assisting the Jaycees, fill out the form and turn them in. The deadlines are: September 2, 2014, January 2 and June 1, 2015.

Triangle Region Update by Mike Harris #24801

The Triangle Region is Alive and mostly well...!

Charles Krupinski and I visited Warren County JCs on August 19... They and the local Lion's Club are co-hosting a Beach Music Festival on Sept 20. President Joey Ross has the chapter well organized. They meet on the 3rd Tuesday of each month. If you can, try and drop in on the 20th for their festival... you'll be glad you did. Noon to 6 PM contact Joey for directions:: logginrat@yahoo.com

I have already assisted Cary with a couple of projects:: Their 2nd Boys & Girls home Olympic Games saw approximately 20 Jaycees on hand to put on 5 very challenging events that required skill and athletic capabilities. Approximately 45 residents of the homes participated. Of course, the Jaycees had a hamburger/hotdog cookout with fixins' as a wrap-up for all participants. I expect they will do this project again. I also assisted (along with 5 other JCI Senators) in working at the concession stand at NC States first home game, Aug. 30. Cary's upcoming events will include more concession stand sales at NCSU home games; preparation for their annual Christmas Parade for the town and their Christmas shopping tour for area needy kids.

Roxboro will again hold their Haunted House much of the last week of October; look for their "Special" house tour October 31. Their Flem Whit Beach Music festival suffered from too much rain; proceeds were lower than hoped for, so they will

probably have to cut their scholarships to deserving HS Seniors down to two this year.

Durham has turned their chapter around! From under 20 last year, they are now up to over 30 members. As of Jan 1, 2015, they will have to move to another venue (location TBD). The property they now use will be closed for a while for renovation. They meet on the 2nd Tuesday. President Catherine Thomas would welcome a visit... but contact her first:: cthomasdjaycees@gmail.com

Raleigh is doing exceptionally well. President Christine Bauer says to look over the calendar page on their website for info on upcoming events. On the horizon is their annual Turkey Shoot Fundraiser at the NC State fair. I have committed to assist at least once with this project. Web site is www.raleighjaycees.org. They meet on 1st and 3rd Tuesdays. Their first meeting is oriented toward business of the chapter; the 2nd meeting is more program oriented.

On a non-region note, I assisted President Stefan Goetz in relocating the Greensboro Chapter office. His health is deteriorating a bit; he could use many words of positive encouragement as to keeping up the fight

and with Chapter Management issues. Stefan can be reached at:

Also, I had a brief visit with President Morgan Tedder of Asheboro. She is positive but seems to

want chapter management advice. They meet at NC Jaycee Headquarters on 2nd Mondays. She can be reached at:

Sandhills Region Update by Maria Hicks-Few #70376

I am very Proud to serve as Regional Director for Sandhills Region and working with the very active Central Carolina Jaycees.

Central Carolina is really starting the year off with a bang. I have communicated with President Candace several times over the past few weeks.

They had all of their August members to renew which is awesome. The Chapter worked very hard on the Friday movie in the park. The movie Sandlot had about 15 families in attendance for the movie... which was awesome.

The Chapter is also looking at doing the following projects:

- * Yard Sale in September
- * Bag up for Hunger food drive in September
- * Splash in the Park September 16th (Noon-4:30)
- * Friday movies in the Park start back in October
- * They won't be doing Jubilee this year but replacing the project with Light the Night in October.
- * Possible self defense class and Pirate Party in October.
- * Turkey Shoot, Friday nights Oct 3rd – Nov 21st
- * Christmas Parade – December 1st at 7:00pm

The chapter is also working on a great time capsule project to capture true history.

Jaycees 2.0 - The New Language of the Jaycees

At the recent convention, there was a training conducted that was designed for you, Senators, to better understand the new language that today's Jaycees are speaking. It is vital that we understand this so that we can best communicate with chapters and help them reach their full potential as not only supporters, but as Mentors.

As Senators, we have been given not only an honor, but a charge. A charge to be sources of wisdom, of guidance, of passion. A charge to ensure that the next generation of Jaycees reach the same heights (or higher) than we achieved. In short, a charge to be Mentors in every sense.

It is no secret that the current and incoming leaders are different than many of us. They think differently, have different methods, and may use technology in ways we never dreamed of. However, their end goal is the same as ours. They want to make a difference. Perhaps this is best illustrated by the implementation of the Active Citizen Framework, which is a new business model of sorts that the United Jaycees began training chapters on starting last year. They have also re-vamped many of the

trainings offered to better meet the needs of the new generation.

The training provided gave examples of generational differences and how to bridge them; of how to understand the Active Citizen Framework and how to assist chapters in implementing it; and examples of new training modules and technologies being used by today's Jaycees. If you would like a copy of this training, please contact NCJCI Senate Mentors Program Manager Jill Alexander at jalexander6204@gmail.com or Scott Alexander at salexander6204@gmail.com.

Remember, someone took the time to help you at some time. Is it now your time to "Return the Favor"?

Fundraising for the NC JCI Senate at the Cary Jaycees Carter Finley NCSU Football Concession Stand

The Cary Jaycees are happy to work with the NC JCI Senate again this year. We are changing it up though. Instead of a specific game, we hope to have 18-20 volunteer spots filled by the senators throughout the 7 games.

Senators can sign up for more than one game and each volunteer spot will be counted toward the 18-20.

The Cary Jaycees will donate the proceeds of an ENTIRE game to the senate with this wonderful help! Please go onto the Signup Genius site and add your name to the list and in the comments section add "Senate"

<http://www.signupgenius.com/go/30e0f45a5ad22a31-2014>

Remember to wear a red or white shirt, and very comfortable shoes. It is a very active job in tight spaces, so be ready for an active time!

Once you sign up please email Joni Klem to arrange to get entry passes.

Region IV National Vice President Letter From Lawrence Pittman #53932

Fellow Senators;

I have had an exciting month of August with visits to Senate meetings in Georgia, Alabama, and North Carolina, along with the Bourbon Bash in Kentucky.

The Alabama Senate under the continued leadership of C.O.B. Lamar Smith #27217 formed their new leadership committee which consists of a vast amount of experienced leaders. They also planned to have at least three additional socials around the state to continue to foster friendships and invite inactive Senators to rejoin.

President Ray Culler #84452 and the North Carolina Senate announced the Embassy Suites in Greensboro as the site of their bid for the Year End meeting in June 2016. The Senators also continued to "Return the Favor" to the NC Jaycees in several different ways. They held their Annual Sweepstakes Raffle chaired by Nick Woods #82735, hosted the First Timers competition and award organized by Crissie Lewis #84089. Several Senators judged Jaycee competitions and held training events at the meeting. The NC Senate was able to donate \$500.00 to each of the Jaycees' Priority Projects (NC Jaycees Burn Center, the Jaycees Cottage at the Boys and Girls Home, and the Duke Comprehensive Cancer Center) and donated \$500.00 to the NC Jaycees organization.

The Georgia JCI Senate under President Connie Cromer #84089 decided to name Savannah GA as the location for their bid for the 2016 Winter Board Meeting in January 2016. I believe that Georgia will continue in their great tradition of hosting national meetings and providing a great experience to all who attend. They will also host their 40th Anniversary celebration in May 2016, chaired by Alex "Hit man" Willis #34236. I was very pleased to see several Senators from other states also visiting the Georgia Senate. They included Florida's President Hal Williams #43912 and a delegation of six Alabama Senators. I do not want to leave out the great things that are happening in the South Carolina and Florida Senates. I was not able to attend the South Carolina meeting or Florida Bash, due to conflicts, but I heard that everyone who attended had a great time. I do plan to visit with you very soon.

The Region is off to a great start, making "All the Right Moves" and I want to take this opportunity to remind you of some important upcoming DEADLINES.

|-------------|--|
| August 25 | Friendship Award Submission DEADLINE |
| September 1 | Membership Submission DEADLINE |
| September 2 | National RTF Submission DEADLINE |
| September 2 | Roadrun Travel Program Submission DEADLINE |

Also, the Region IV Fall Meeting is set for November 8 – 9 in Hendersonville, NC. I have attached a registration form. If you have any questions about the meeting please contact me. I am also asking for those willing to assist the North Carolina Senate with this event to please contact me or President Ray Culler #84452. It will be a great time to come to the Mountains of North Carolina. The fall leaves may or may not still be visible (only Mother Nature can answer that question). I am planning on having discount passes to the Biltmore House available; there are 2 vineyards within 5 miles of the hotel. A wine tasting is being planned. For the beer enthusiasts there are over 30 Microbreweries within 30 miles radius of the hotel. Harrah's Cherokee Casino is an hour drive away and many other plans are being made. Please spread the word and make plans to attend.

Karol and I again would like to thank everyone in the various states for the great hospitality that was shown us. I truly enjoyed meeting so many new Senators and having the opportunity to form new and hopefully lasting friendships.

Announcing the US JCI Senate National Convention June 21 - 25, 2015 in Rochester, MN

The MN JCI Senate is excited about hosting our US JCI Senate National Convention on June 21 - 25, 2015 in Rochester, MN. We want you to prepare yourselves to "SET SAIL FOR THE LAND OF LAKES, ICE, & MINNESOTA NICE"

Rochester is located in the southeast corner of Minnesota. Minneapolis & St. Paul are approximately 1 hour north of Rochester. Rochester is consistently ranked as one of the most livable cities in America and is built on the world renowned Mayo Clinic's rock solid foundation. The city hosts more than 2.7 million visitors each year, many of whom receive care at the Mayo Clinic.

The MN JCI Senate has chosen to showcase our hospitality starting with early hospitality on Sunday evening, June 21 featuring a hog roast. The chefs from our host hotel, the Kahler Grand, will be roasting a hog on Peace Plaza right outside the doors of the hotel. In addition to the scrumptious roast hog, we will be serving country style potato salad with sour cream, bacon, & scallions; luscious roasted sweet corn on the cob; baked beans; classic coleslaw; fresh watermelon slices; cheddar cheese cornbread; and a specialty

cake for dessert to top it all off. There is one small catch - the meal will only be served from 6:00pm to 8:00pm, and only to those who have pre-registered. Registrations for early hospitality at the door will NOT guarantee you receiving this fabulous meal. The regular hospitality room inside the Kahler will open up at 8:00pm on Sunday evening. So as you can imagine for the \$20.00 pre-registration cost this will be a marvelous opportunity for you to enjoy fun, fellowship, & a feast unlike most conventions.

Registration forms can be found on the US JCI Senate web-site as well as the MN JCI Senate web-site. Please consider saving the dates and SET SAIL FOR THE LAND OF LAKES, ICE, & MINNESOTA NICE, the week of June 21 - 25, 2015.

We look forward to sharing with you our hospitality. If you have any questions, please feel free to contact me via e-mail at: smleppla@newulmtel.net
